

EVV Computer-Based Training Course and Job Aids Now Available

Information posted August 26, 2019

The Electronic Visit Verification (EVV) computer-based training (CBT) course and job aids are now available on the TMHP Learning Management System (LMS).

The CBT addresses the following topics:

- TMHP Module 1: Introduction to EVV
- TMHP Module 2: Researching, Selecting, and Onboarding with a Health and Human Services Commission (HHSC)-approved EVV Vendor
- TMHP Module 3: EVV Aggregator
- TMHP Module 4: EVV Portal
- TMHP Module 5: EVV Portal Standard Reports and Search Tools
- TMHP Module 6: EVV Claims Submission and Billing

The EVV Portal Standard Reports and Search Tools job aids cover the following topics:

- Accessing the EVV Portal
- EVV Portal Standard Reports
- EVV Portal Search Tools

There are three job aids: one for program providers/Financial Management Services Agencies (FMSAs), one for managed care organizations (MCOs), and one for HHSC staff.

The TMHP LMS can be accessed through the TMHP website on the [TMHP Education webpage](#), or directly at <http://learn.tmhp.com>.

Users must have a user name and password to access CBTs in the LMS. To obtain a user name and password, program providers must create an account by clicking the **Registration** link at the top left-hand corner of the LMS home page. After creating an account, program providers can access all available CBT materials in the LMS.

For more information about the LMS, program providers can refer to the [Learning Management System \(LMS\) Job Aid for Providers](#). For CBT log-in or access issues, email TMHP LMS support at TMHPTrainingSupport@tmhp.com.
