# How to choose your Primary Care Provider (PCP)

## What is a PCP?

A PCP provides or coordinates all of your or your child's health care services. A PCP can be a doctor, nurse or clinic that gives you most of your health care.

## Where can you find a PCP?

Our PCPs are listed in the "Primary Care Provider" section of the directory. They are listed by city and then by the kind of Provider.

- **Pediatricians** see children.
- A **family practice doctor** sees all ages.
- **Internal medicine doctors** see family members 18 years old and above.

Age limits are listed for some Providers to help you pick one for you and your child.

You will find the following symbols next to the PCP listings:

- **Open** (\*) means they are accepting new patients.
- **Existing Only** (❖) means they only see existing patients.
- **THSteps Certified** (◆)
- **Board Certified** (✓)

You can pick any PCP listed as open for yourself or your child. Each covered family member can pick a different PCP within the Cook Children's Health Plan network.

We expect our contracted Providers to meet all applicable federal requirements for accessibility as specified in the Americans' with Disabilities Act (ADA) and its regulations. In general, the ADA requires that health care Providers offer individuals with disabilities full and equal access to their health care services and facilities, however there can be some exceptions. In order to ensure a Provider's location meets your own access needs please contact that Provider directly before scheduling an appointment to obtain care.

## When you pick your PCP

### Call 1-800-964-2777 and let them know:

- 1 Your name and Medicaid number.
- 2 That you choose **Cook Children's Health Plan**.
- 3 The name of the PCP that you picked.

Once you have enrolled in **Cook Children's Health Plan** and have chosen your PCP, you can call your PCP whenever you or your child need any medical services.

If you have any questions or need help choosing a PCP, contact Member Services at 1-800-964-2247.

# Como escoger su Proveedor de Cuidado Primario (PCP)

## ¿Qué es un PCP?

Un PCP le ofrece y coordina todos sus servicios de atención médica o los de su niño o niña. Un PCP puede ser un doctor, una enfermera o una clínica que le ofrece la mayoría de su atención médica.

## ¿Dónde puede encontrar un PCP?

Nuestros PCPs se encuentran en la sección de “Proveedor de Cuidado Primario” del directorio. Están enumerados por ciudad y luego por el tipo de Proveedor.

- **Pediatras** atienden a niños.
- Un **doctor familiar** atiende a todas las edades.
- Los **doctores de medicina interna** atienden a miembros de la familia mayores de 18 años.

Los límites en las edades se muestran para algunos proveedores para que sea fácil elegir uno para usted y para su niño o niña.

Usted encontrará los siguientes símbolos en el listado de PCP:

- **Abierto (\*)** quiere decir que el proveedor está abierto y están tomando pacientes nuevos.
- **Pacientes Existentes (❖)** quiere decir que ellos solo atienden a pacientes existentes.
- **Certificados en THSteps (◆)**
- **Médico Certificado (✓)**

Usted puede escoger cualquier PCP abierto para usted o su familia. Cada miembro de la familia que está cubierto puede escoger un PCP diferente dentro de la red del Plan de Salud de Cook Children's.

Esperamos que nuestros proveedores contratados cumplan con todos los requisitos federales de accesibilidad aplicables según lo especificado en la Ley de Estadounidenses con Discapacidades (ADA) y sus regulaciones. En general, la ADA requiere que los proveedores de atención médica ofrezcan a las personas con discapacidades acceso pleno e igual a sus servicios e instalaciones de atención médica, sin embargo, puede haber algunas excepciones. Para garantizar que la ubicación de un Proveedor cumpla con sus propias necesidades de acceso, comuníquese con ese Proveedor directamente antes de programar una cita para obtener atención.
