

TMHP YouTube Channel Available for Providers

Information posted August 21, 2019

Texas Medicaid & Healthcare Partnership (TMHP) has launched a YouTube channel for providers.

The TMHP YouTube channel is a new online resource created to alert providers of important developments and relevant topics with short educational videos. TMHP's YouTube channel will also provide quick overviews of processes in an easy to understand video format.

The YouTube channel is a valuable tool that will keep providers up to date on the latest trends in Texas Medicaid and other state health-care programs.
