

# Family Planning Program

# Family Planning Program

The Family Planning Program is dedicated to providing accessible family planning and reproductive healthcare to eligible women and men in Texas.

The free or low-cost services offered through the Family Planning Program help:

- Reduce unintended pregnancies
- Allow people to determine the number and spacing of their children
- Improve birth outcomes and overall health

For more information visit [Family Planning Program](#) or call 877-541-7905.
